

"Who Do Others Say Jesus Is?"

Family

- GOD is our "Heavenly Father" (Matt. 6:8)
- Jesus refers to God as His "Father" 54 times in the Gospels
- When someone is taught that God is a "Father", their first intuition is to compare God to their experience with earthly fathers.

Friendships

- Friendships shape who we are as they represent the people we love and trust.
- Relationships are such a powerful force. Some of our worst decisions in life are made by following a friend you trust or trying to earn their approval.

Culture

- Like friendships, people we respect, admire, and draw authority from are welcomed to shape our ideas of reality.
- Celebrities, artists, political figures, authors, teachers, professors, social media influencers, news outlets, etc.
